

LAGOON 500 - YEAR 2010

This beautiful 15 metre-yacht designed by Marc Van Peteghem and Vincent Lauriot Prevost (the most famous naval architects specialised in catamarans) has all the latest architectural innovations.

This sailing ship performs well thanks to its excellent seaworthiness. With a very nice fly-bridge that makes sailing easier and a huge wardroom, this 5 berth sailing yacht can accommodate up to 10 passengers in an extremely comfortable environment.

The permanent crew comprising a skipper and a hostess / cook will exceed your expectations and will make your cruise a wonderful experience. Welcome aboard!
